This year's Annual Stakeholder Meeting's focus is on Fleet Efficiency and Safety. A panel of fleet managers will discuss implementing efficiency measures from simple route management, anti-idling policies, implementing biodiesel blends, and driver training to replacing vehicles with advanced vehicles like EVs and alternative fuels like CNG.

In addition we'll focus on Funding Opportunities with presentations on the NYSERDA Truck Voucher Incentive Program, Hunts Point Clean Truck Program and the NYSERDA Natural Gas Station Grant.

Join us in the afternoon in front of the unisphere for the certification of three new Fleets into our Empire Green Fleets Certification program. Joining Down East Seafood, NYC Parks Department, the City of White Plains, and Neapolitan Express!

Also check out our stakeholder **RAFFLE!** Featuring such prizes as New York Mets vs Atlanta Braves tickets with club access, New York Jets Autographed Poster, 2 Uber rides worth up to \$50 each, Hellofresh Classic Dinner Box - \$69 Value, New York Yankees Tickets vs Boston Red Sox, Cabot cheese basket and much more!

Our 6<sup>th</sup> Annual Empire Clean Cities Stakeholders Meeting will be in conjunction with the NYC Annual Equipment & Vehicle Showcase. Visit the Empire Clean Cities Website for more information!
